

## Bioenergy and Biorefining in a Circular (Bio)Economy

IEA Bioenergy, FAO, OECD, EERA Bioenergy, ETIP Bioenergy, IRENA, EC DG JRC, DOE

Wednesday 27 September 2017, Time: 10:00 – 16:00

Hotel Martin's Brussel EU, Boulevard Charlemagne 80, B-1000 Brussels,  
Belgium; Contact: Emilie De Preter, +32 2 235 1726

### Participants (invited):

IEA Bioenergy: Kees Kwant, Luc Pelkmans

IEA Bioenergy T42: René van Ree, Bert Annevelink, Ed de Jong, Vincenzo Motola

FAO: Olivier Dubois, Irini Maltsoylou

OECD: Jim Philp

EC DG JRC: Michael Klinkenberg

EERA Bioenergy: Juan Esteban Carrasco Garcia

ETIP Bioenergy: Birger Kerckow

IRENA: Jeffrey Skeer

US DOE: James Spaeth

The aim of the meeting is:

- To inform each other on running and planned activities in the field of Bioenergy and Biorefining in a Circular (Bio)Economy;
- To analyse cooperation opportunities to be able to use available (financial) resources as efficient as possible and to come-up with results that will have a broad support;
- To define one/more joint activities to be performed in the coming year(s);
- To organise a joint dissemination event to communicate our views/results jointly to a wider public (side event international conference, etc.).

### Draft agenda

9:30 – 10:15	Opening, short intro partners, goal and expected result meeting
10:15 – 10:30	Coffee/Tea Break
10:30 – 12:30	Short (15 min) power-point intros on running and planned activities + 1 <sup>st</sup> ideas on cooperation opportunities by all participating organisations
12:30 – 13:30	Lunch offered by IEA Bioenergy Task42
13:30 – 15:00	Analysis and identification cooperation opportunities
15:00 – 15:15	Coffee/Tea Break
15:15 – 16:00	Appointments and follow-up
16:00	End of meeting
