Room: tba

## April 27th

THURSDAY

- 16.00 WELCOME AND OPENING
- 16.15** General Information about EERA-Bioenergy (tba)
- 16.30** General Information about DEMA (Con Sheahan)
- 16.45** Lecture sessions: Recent Advances on Algae Research in Europe  
Up to four key-note presentations from DEMA partners,  
EERA-Bioenergy partners and Algae industry (20 min/each)
- DEMA WP 2, 3 and 4 – Generation and optimization of strains  
for direct ethanol production.
- 17.05** DEMA WP 5 6 7 and 8 – Ethanol production scale-up and  
process integration
- 17.25** EERA presentation 1
- 17.45** EERA presentation 2
- 18.05 COFFEE BREAK
- 18.20** Discussion and Round table – “Needs for creating an R&I  
Agenda 2030 on Algae Research under Biorefinery concept”
- Participants: 2 representatives from DEMA, 2 representatives  
from EERA-Bioenergy

## April 28th

FRIDAY

- 9.00** Key-note-speaker (Invited from Algae Industry)
- 9.45** Round table – “How to make industrially relevant the algae  
contribution for mitigating the EU total greenhouse gas emis-  
sions ?”
- Participants: 1 representative from EABA, 1 or 2 from industry; 1  
from EERA-Bioenergy
- 11.00** Wrap-up and closing the meeting
- 11.30 COFFEE BREAK
- 11.45** DEMA Closed Meeting (agenda tbd- Con)
