

EERA Bioenergy, SP2 Workshop on Evaluating Current and Novel Pretreatment Biomass Technologies

Venue: CIEMAT (Avda. Complutense, 40), Madrid, Spain.

March 10, 2016

AGENDA

09.30 - 10.00 Coffee, registration and welcome (CIEMAT)

10.00 - 10.15 General Information about EERA-Bioenergy (Francisco Gírio)

10.15– 10.30 Round table presentation in a few sentences (more information will be presented as a word document send to CIEMAT prior to the event)

10.30-12.30 **Vision from industry.** Up to six key-note presentations by industrial participants (15-20 min/each)

Bioindustries confirmed: Biochemtex/betaRenawables, Biogasol, Biopolis, Abengoa, NEOL Solutions

Bioindustries invited: CLEA, IBUS Innovation, Clariant, Borregaard, gPortucel/Soporcel, Biorefining Alliance.

12.35 – 13.00 Short introduction of available calls (Francisco Gírio)

13.00-14.00 Lunch

14.00-15.00 **Forum discussion** with input from challenges defined by industrial participants (All participants)

15.00-15.20 Coffee

15.20-16.30 Visit to CIEMAT pretreatment plants

16.30-17.15 Plenary session: Wrap-up

17.15-17.30 Closing the meeting
